Mission Statement

The mission of the *Father & Child Resource Center* is to enable the children of our community to enjoy healthy growth and development through the emotional, physical, moral, and financial support of their fathers.

Constituents Served

All fathers and potential fathers in Martin County

Description of Agency/Services

The Center has promotes responsible fatherhood, providing education and information to all fathers in the county. Specific programs address the needs of teen fathers, divorced and separated fathers, and fathers referred through other agencies. The Center also provides training to other agencies and organizations on dealing with fathers as well participating in teen pregnancy prevention efforts for local youth.
